TC 1700**INFORMATION DISCLOSURE STATEMENT**
UNDER 37 CFR § 1.56Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Submitted herewith on Form PTO/SB/08 is a listing of documents known to Applicant in order to comply with Applicant's duty of disclosure pursuant to 37 CFR § 1.56.

The submission of any document herewith, which is not a statutory bar, is not intended as an admission that such document constitutes prior art against the claims of the present application or that such document is considered material to patentability as defined in 37 CFR § 1.56(b). Applicant does not waive any rights to take any action which would be appropriate to antedate or otherwise remove as a competent reference any document which is determined to be a *prima facie* art reference against the claims of the present application.

01 FC:1806

100.00 0P

The listed documents are being submitted in compliance with 37 CFR § 1.97(c), before the mailing date of either a final action under 37 CFR § 1.113, a notice of allowance under 37 CFR § 1.311, or an action that otherwise closes prosecution in the application.

All of the documents are in English.

Applicant respectfully requests that each listed document be considered by the Examiner and be made of record in the present application and that an initialed copy of Form PTO/SB/08 be returned in accordance with MPEP § 609.

Applicant's representative also reviewed the file history of the following application no.:

11/233,462.

The file history is available on PAIR. For the record, the '462 application resulted from a reissue of US Pat. No. 6,280,898, whose claims 1-20 were forever canceled by the time the '462 application was filed. In other words, only narrow claim 21 survived on the day that the '462 application's broadening reissue-application was improperly filed. In any case, the examiner is asked to consider the application and, if necessary, indicate on the record that it was considered.

A credit card payment form in the amount of \$180.00 is enclosed in accordance with 37 CFR § 1.17(p) to cover the fee associated with an information disclosure statement under 37 CFR § 1.97(c) in the amount of \$180.00.

The Commissioner is hereby authorized to charge any additional fees which may be required regarding this application under 37 C.F.R. §§ 1.16-1.17, or credit any overpayment, to Deposit Account No. 19-0741. Should no proper payment be enclosed herewith, as by the credit card payment form being unsigned, providing incorrect information resulting in a rejected credit card transaction, or even entirely missing, the Commissioner is authorized to charge the unpaid amount to Deposit Account No. 19-0741.

Respectfully submitted,
